Dance with "Flashback"

They're doing what you're doing.

"Maybe I should have started this engraving sooner."

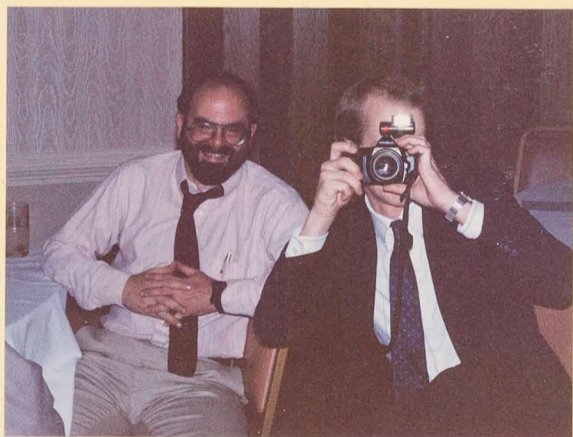

"Meet me in the coatroom at 10:00."

"Well he made it to President. Boy is he gonna be hard to live with now!"

Is this what they mean by "Pole Position"?

Amazing how silly we photographers can be.

"There's this joke about my hairline... but I just don't see it!"

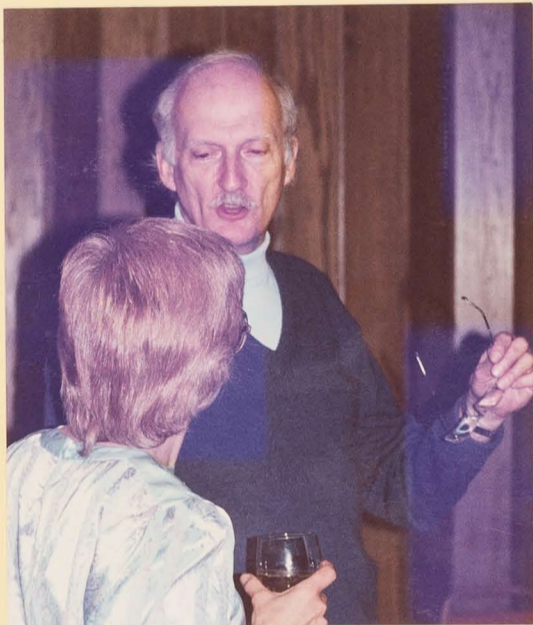

You can dress them up, but you can't take them anywhere that they won't find a way to hold an autocross.

"Meet me in the coatroom at 10:00."

"So long...I'm off to the coat room."

"And this is how I look without my glasses."

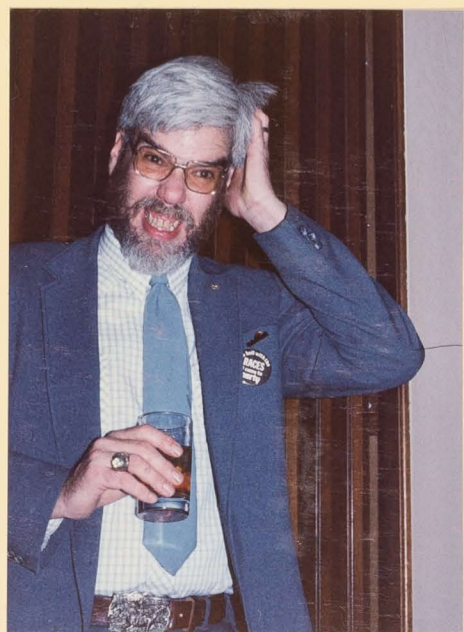

Katy says "Here we go again!"  
(see last year's banquet)

Chip & Karen find each other.

"I've found that little paprika can really make those  
ho-hum meals sing!"

# The Secret

On this banquet night it would appear that a great secret had come to light. Probably a real juicy piece of gossip. All through the evening it could be seen being passed along. Here are some highlights...

Gerry passed it to Sandy

Debbie told Gary

Sandy told Dennis

Dennis told Debbie

Gary told Suzanne

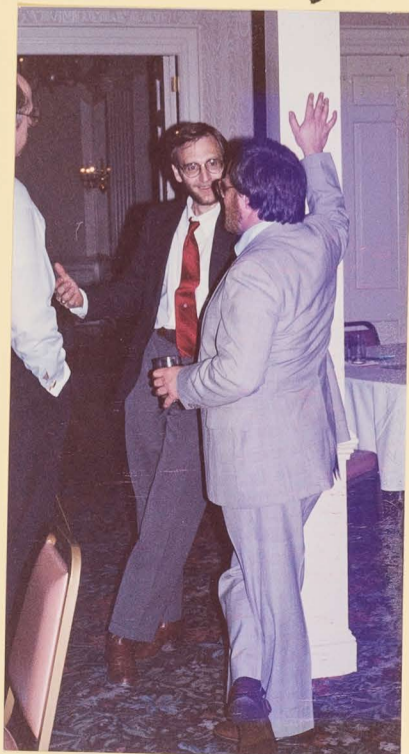

Debbie also told Chip

Doug told jet

jet told Alice

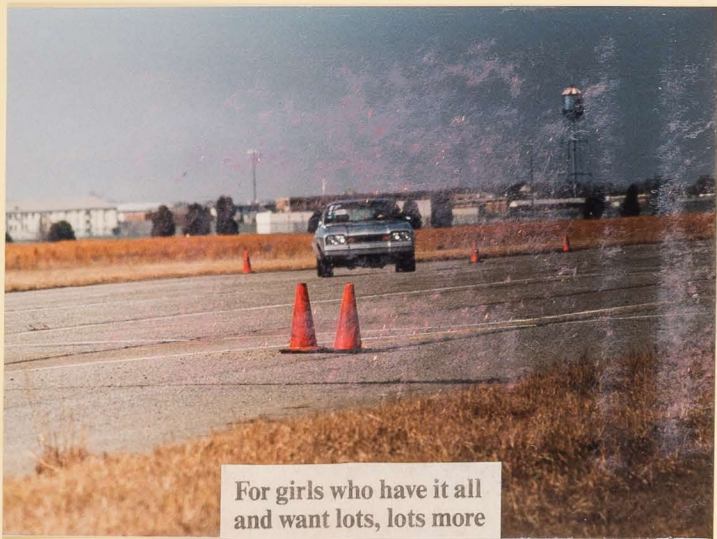

Chip told Bill

Bill told Doug

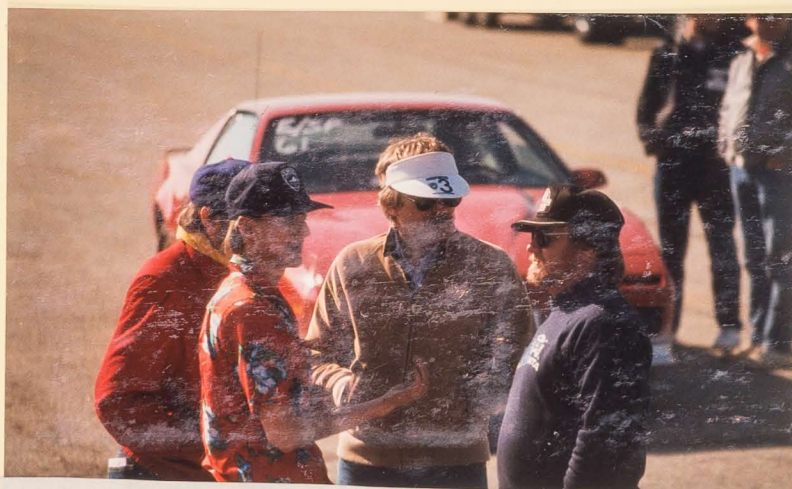

Alice told Scott, Marvin, Jan, John & Sue

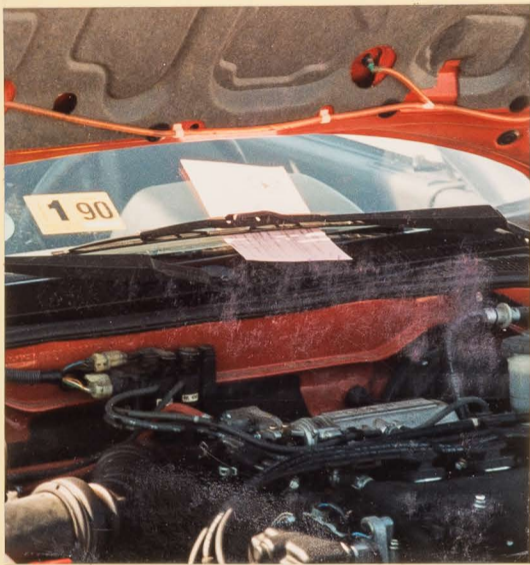

For girls who have it all and want lots, lots more

Katy Fisher's first Autocross.

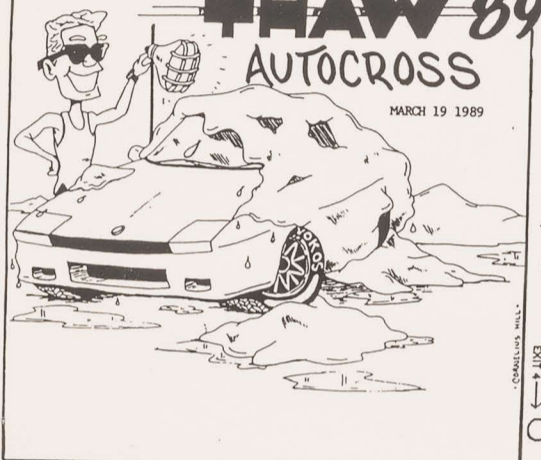

They said turkeys and meant it

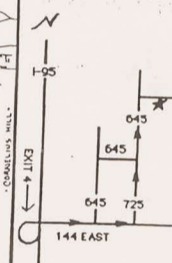

Chip, Beezo, Gary & Bill.

## Fry Sizzles in VMSC 'Run for the Fund'

by Beth Mills

Every now and then you find an autocross where the donation of your entry fee means as much to you as how you finish in class. Such an event was held on August 13, 1989 by the Virginia Motor Sport Club. The "2nd ANNUAL RUN FOR THE FUND" drew entrants from as far away as Murfreesboro, NC and Fairfax, VA to compete at the McLaney Drop Zone in Ft. Lee, VA.

The sun shone brightly as the Motorsport Gods smiled on us. For the first time in quite a while, the full length of the abandoned air strip was available. Previously, use of either end of the one-mile asphalt strip was prohibited due to nearby artillery practice (minor problem) or the nesting of the endangered eagle.

The course design was new and carried enough straights for the power cars plus chicanes for the small, maneuverable ones. The competitors enjoyed it, especially Jim Fry, up from Va. Beach, who took FTD in his sleek A/M Phase I Royale RP 18A. His time of 50.09 blew away other one minute breakers: John Wilton 1B/M in a '73 Elden @ 54.13, Allen Goode 1C/M in his '72 VW Sprint Racer @ 57.03 and John Adams 1D/M with his '82 Red Devil T-82 @ 54.65.

Also landing in the 50s, but with stock-type vehicles, were Bobby Smith 1E/M in his quick Porsche 914/4 @ 56.47, Buddy Parker 1B/P turning a 57.55 in his '89 Vette, Mark Wilson 1E/P pushing his '72 Capri to a 58.91, Greg Miller 1A/S @ 59.11 in a '74 911 and Roger Garrett 1S/S in a Shiny new '89 Vette @ 59.76.

Other trophy grabbers include: Chris Possehl of Centerville, VA in a newer-than-

new '90 Mitsubishi GS Turbo taking 1C/S at 1:02.63, Chip Williams won the Honda-dominated D/S in his '85 CRX Si at 1:02.12, and Richard West found no close competition for his '84 CRX Si in E/S with a 1:02.66.

Bob Hippard placed 1F/S with a run of 1:02.45 in his '89 Firebird Formula 350, Joe Bainbridge nailed 1G/S @ 1:07.35 with his '86 Cavalier 224 and Bill Lloyd finished the stock classed with a 1:05.91 in his beloved H/S '73 Vega.

Jeffery Zimmer of Norfolk, Va. barely made off with 1C/SP in an '83 VW GTI with a .03 second margin @ 1:08.91. Bill Hunter, as always, drove off with 1D/SP in his '78 Honda Civic 1200 turning a 1:02.91 and Doug Jamerson took 1E/SP with an impressive 1:00.11 in his '84 Trans Am.

D/P, for this event, was owned and operated by the Mills/Weir team car, a '73 Honda Civic with Floyd Mills in 1st at 1:02.31.

The proceeds of over \$700 were donated to the Will Hunter Memorial Scholarship Fund which was set up to assist a college-bound senior of the Rockville Swim Team. Will was young VMSC member whom we dearly miss. He was raised in our club and was very active with the Swim Team. Coincidentally, the 1989 scholarship was awarded on the same day as this autocross. William (Billy) Tucker, the recipient, will place this money toward his education at William & Mary College.

The OD's, Dennis & Debbie Weir and Floyd Mills, would like to thank the many workers for their help and all the competitors for their donations to the Fund. We'll see you again next year at the 3rd Annual Run For The Fund.

This is a medium difficulty event, in which none of the traps are new - all have been used in previous VMSC rallies, and many have appeared in the summer/fall "learner" events. Come on out and show off the skills you picked up earlier this year. Call the Rallymasters at (804) 282-1493 for a Number and/or a copy of the General Instructions.

I DON'T MIND LIFE PASSING ME BY ....  
... BUT IT KEEPS COLLECTING \$200.
