A straightforward, not-too-difficult TSD Rally featuring NO Special Instructions.

RALLYMASTERS AND COURSE LAYOUT:  
Wilt and Barbara Greenwood

OFFICIAL PRE-CHECK:  
Marian DeBardeleben and Gary Stout

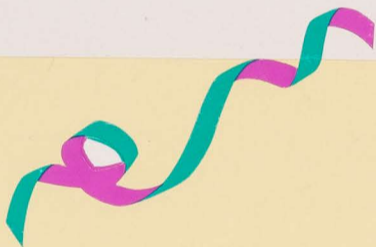

DATE OF EVENT:  
Sunday, August 26, 1990

TIME OF EVENT:  
Registration from 10:00 A.M. to  
10:45 A.M., 1st car off at 11:01 A.M.

STARTS FROM:  
Parking lot of the Jefferson National Bank at the  
intersection of Routes 623 and 250, about one mile  
south of Exit 33 (Rockville Manakin) from I-64 West.

COST: \$10.00 per car

This will be an easy to medium difficulty event, using Numbered Instructions only. Speeds will be brisk, the roads will be a little unfamiliar, scenery will be interesting, and the traps will all be slightly updated versions of tried and true oldies, fully fail-safed. Call the Rallymasters at (804)282-1493 for a Number and/or a copy of the General Instructions. About 100 competitive miles.

A new way to get from here to there.

Nothing Special

A bit of a misnomer. The name comes from the fact that there were no Special Instructions but it implies that this rally was somehow ordinary. There was something very special about the rally.

A better name might have been More Than Meets the Eye because a lot of thought went into each leg. For example, a blank instruction is nothing new but when it applies at an almost invisible intersection within sight of a control, you know some planning has gone into that leg. And when you end up going 40 m.p.h. on a road that should have been 20, you really get the feeling of being off course.

The rest of the rally was equally well done. There were overlap and quotation traps, NRC and on-it-at-it traps all done with a special flair.

So, thanks to the Greenwoods for another rally that was well above average.
