# ALLEY

Put the following on your calendar for October:

- SCCA REGIONALS AT MARLBORO (5-6)---Sprint races begin at 10 a.m.; the feature, a two-hour team event, starts at 6 p.m.
- OLD DOMINION RALLY (12-13)---Your choice of Petersburg or Suffolk starting points and an overnight stop at South Boston. This is always a good event and counts for VMSC points.
- GYMKHANA AT SOUTHSIDE SPEEDWAY (13)---Petersburg Sports Car Club. Starts at 1 p.m.
- GYMKHANA AT ELLERSON GO-CART TRACK (13)---Corvair Club.
- VMSC DINNER MEETING (19)---You've heard about this before!
- VMSC RALLY (20)---Get the poop from O.D.'s Bob Bowes and Dennis Brion at the dinner meeting.
- SCCA DIVISIONALS AT DANVILLE (OLD DOMINION REGION) (26-27)--- Note that we said VIR and not Suffolk. Why? Because no one fixed the hangar at Suffolk Airport!
- HALLOWEEN RALLY (31)---A fine way to get your car away from the trick or treaters!

Anything else?

"Farewells" are in order for three VMSC'ers who will take or have already taken residence, fortunately, in not-to-far-away-that-they-can't-come-back-to-see-us-sometime places. Ed and Dru Inabinet will be heading for Norfolk at the end of this month, while Mac McClintic has taken off for what he calls--"closer to skiing country"--Charlottesville. VMSC, as well as the St. Francis apartments, will miss them.

UASSAN spelled backwards is NASSAU which means money for the final payment this month.

# 4th ANNUAL FIELD TRIALS

## (and Tribulations)

A slimy, sticky mixture of solid material with water might in a mild way describe the "Trials and Tribulations" field trials September 29.

For the 15 Tidewater cars and the 24 local ones, the half-mile course required at first slow plowing in the late-starting-because-of mud event, but faster speeds were attained by afternoon as the juice soaked in.

All in all, a few contestants might have been tempted to get the O.D.'s John Ruble and Al Smith to wash their cars, but no one was tempted. Rather, only words of praise for an organized event were heard around the course that afternoon.

By the way, what class was that horse running in?
