Saturday morning dawned cold and overcast, with a hint of rain in the air. It looked like a perfect day for a rally. VMSC members began arriving about 9:30 AM to set up registration, and generally get everything going. Representatives from Miller Brewing, MS, and Loveland Distributing were also on hand to welcome the contestants and help with the rally. Also present were six "Miller Girls", who were quite nice, but not exactly what was expected. By the time the cars were ready to start, there were 50 contestants. Somewhat less than the anticipated number. However, they all got started without any major problems. If there had been 200 cars, the start could have been pandemonium. The rally proceeded without any hitches (except for a route sign that has a habit of appearing and disappearing). A minor problem developed at the finish when JSR had to close the "Pit" from 5 PM to 7 PM. This threw the scoring committee slightly off stride and necessitated a change in the scoring location. However, the checkpoint crews had done an excellent job of scoring the cars as they came through and the scoring committee was able to total the scores and select the winners before the party started. The party was a lot of fun. There was plenty of beer, and the music provided by the band and a local radio station kept things lively.

All-in-all, the rally seems to have been a success. Several people expressed an interest in joining VMSC. Many more are planning to run the April Rookie Rally.

VMSC can pat itself on the back for a job well done on very short notice.
