The holiday season is fast approaching with it comes the time of year when automotive sports slows to a crawl. It's the time of year for renewal of existing friendships as well as the formation of new ones. VMSC offers two holiday gatherings to promote the social aspects of our Club and to plan the up coming year's activities.

One of the social events coming up is the Stout-Jones Christmas party(real name to long to write) on December 18 (See Flyer). Gary and Dick usually provide a fantastic spread and a party that goes on to the wee hours of the morning. This is a great opportunity for the new members to meet and get acquainted with the old members, to talk about the sport, and perhaps rekindle some lost interest back into the sport. Gary and Dick would like to see all members at their Christmas party.

The second and most important social event of the season is the 32nd Annual Awards Banquet. It is here that members are recognized for their achievement of the past year. The awards banquet consists of a great meal, the presentation of trophies and awards, dancing, and usually a party at someones home afterwards. This is not only an event for those who receive an award or trophy but an event to recognize the time and work performed by all the members of the Club.

Lets make this holiday seasons two social events the biggest events of the year. Remember members, quests are always welcomed at VMSC events.

Lewis

P.S. Lets register early for the banquet so that the social committee members does not have to spend nights on the phone calling you.
