## COMP REGS - FINALLY

Elsewhere in this issue you will find changes to the autocross competition regulations as submitted to the Board by the A/X competition committee. If adopted, these changes will be retroactive to the beginning of the 1984 competitive season.

These changes are probably as close to brilliance as the comp committee will ever come. They have apparently solved the problems of unfair homologation that dogged the old system without totally abandoning the homologation format. The capable driver will not suffer a points penalty simply because he/she runs in a sparse class, while the homologation snowball will not be allowed to lump radically dissimilar cars in the same points class.

Your editors enthusiastically support these changes, but you should vote for them anyway.

Checkpoints is proud to announce the appointment of a new "roving reporter" whose name is Sarah Ellen Parsley.

Sarah came to our staff on July 12, 1984, at 3:12 PM and weighed in at 6lb, 12oz. Once settled, Sarah will report on various club activities.

Needless to say Editor Lewis and wife Barbara are overjoyed at this latest edition.

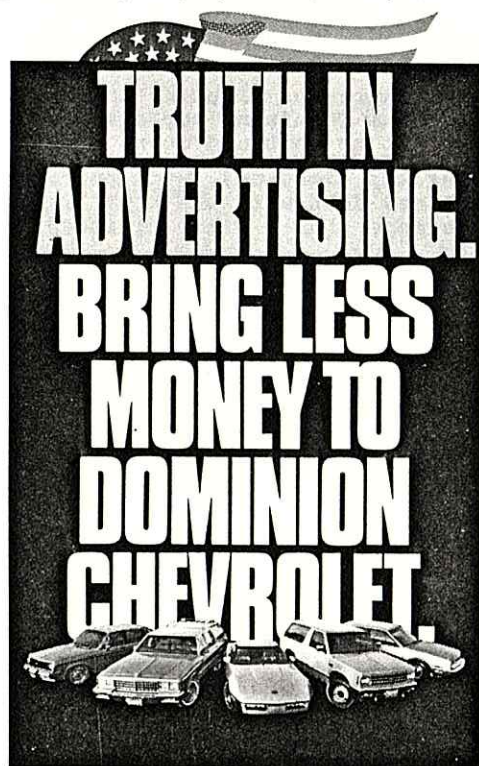

Competition Regulations

Page 12, Section 4.1.D: Delete entire section and substitute new section:

- D. Speed Championship: Year-End Awards will be presented to the first three (3) drivers in each category of car preparation; Stock, Prepared, and Modified. These awards will be based on Points for finishing position in each class or homologated class within that category. They shall be awarded as in Regulation 4.1.A. In addition, the first place driver with the highest accumulation of Speed Points for the year, will have the Overall Championship noted on the 1st place category award.

Event trophies shall be awarded based on one (1) trophy for each five (5) entries or fraction thereof in each class.

## ROCKY MOUNT?

Those of you who have run the semi-annual SCCA speed events hosted by Tar Heel Sports Car Club at the old Rocky Mount municipal airport may be interested to know that the event you have come to know and love may soon be no more. Hardee's has aquired the airport property, and there is some doubt that the event will be allowed to continue.

We at VMSC will miss the high speed, safety and good times that were the hallmarks of this event. It was after this event that the Blackstone Championship autocross was patterned.

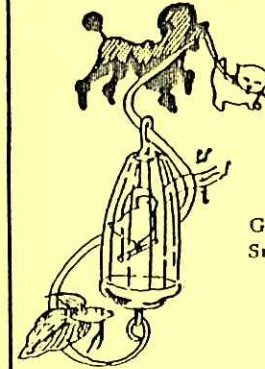

To our Carolina friends we say, thanks for a lot of fun. Now maybe it's our turn. High speed autocrossing still lives at Blackstone. Come on up this September and let's see if we can show you as good a time as you've always shown us!
