DICKENSON WORKS 14 CONTROLS ON
SAME RALLY; SAYS CITATIONS
"JUST PART OF THE RALLY GAME"

Two police cruisers and extensive road work were required to haul Neale Dickenson down from a reported 140 mph while on his way to his second control on "The Twilight Zone" rally. When accosted by police about his speed, Dickenson reportedly responded: "Your mama runs Mecklenburg." Neale says the venerable flat-4 is in its element at triple-digit speeds.

Dear Mr. Mills:

Please be advised by this letter that the audit committee has examined the financial records of the Virginia Motor Sports Club, Inc. for the year of 1983. In our opinion the financial records referred to present fairly the financial position of the Virginia Motor Sport Club, Inc. as of December 31, 1982 and 1983. The results of its operations and the changes in the financial position for the years ended is in conformity with generally accepted accounting principles.

THANKS, BOULEVARD! YOU'RE HEADS ABOVE THE REST!

VMSC would like to take this opportunity to thank Irv Sanderson and the folks at Boulevard Datsun-Saab for the fine rental helmets that protect the heads of the innocent and the unprepared at VMSC autocrosses. Not only does this gracious donation relieve us of the financial burden of replacing the old helmets, it also allows us to increase participation by allowing unequipped and novice drivers run where they might be reluctant to borrow helmets.

THANK YOU FROM
- VMSC -

WELCOME

Sarah, the roving reporter, would like to welcome the newest Dickenson edition into the world. Born July 18th, Jennifer & Michelle ("Jenny & Shelly") came into the world amid celebration and prolific Hoo-Ha. Congradulations, Neale & Martha.

There is no truth to the rumor that since VMSC cannot attract new members, it is now manufacturing them.

DON'T DIE OF EMBARRASSMENT.

It starts quite innocently: you convince yourself the symptoms aren't serious. So if you sought medical help you'd just look foolish. And later it's too late.

Each year 350,000 Americans die from heart attacks before reaching the hospital. Often after a deadly, unnecessary delay. In fact, the average victim waits over three hours before consulting a doctor. Because he doesn't realize what his symptoms mean. And he doesn't want to seem silly.

Please, learn the warning signals of a heart attack. And, if you experience any of them, get help. Call a paramedic at once. Or, if you can get to an emergency room faster another way, do so. Without a second thought. After all, saving face means nothing compared to saving your life.

WARNING SIGNALS OF A HEART ATTACK

1. An uncomfortable pressure, fullness, squeezing or pain in the center of your chest behind the breastbone.
2. The sensation may spread to your shoulders, neck or arms. If it lasts for two minutes or more, you could be having a heart attack.
3. Severe pain, dizziness, fainting, sweating, nausea or shortness of breath may also occur, but are not always present.

TIME

MAKE OF
AUTOMOBILE

This is not a ticket, but if it were within my power, you would receive two. Because of your bull-headed, inconsiderate, feeble attempt at parking, you have taken enough room for a 20-mule team, 2 elephants, 1 goat and a safari of pygmies from the African interior. The reason for giving you this is so that in the future, you may think of someone else, other than yourself. Besides, I don't like domineering, egotistical or simple-minded drivers and you probably fit into one (or all three) of these categories.

I sign off wishing you an early transmission failure (on the Interstate at about 4:30 P.M.). Also, may the fleas of a thousand camels infest your armpits!

With my compliments
