EDITORIAL

A MOTION WAS SUBMITTED (AND SUBSEQUENTLY TABLED) AT THE SEPTEMBER BOARD MEETING TO ELIMINATE THE USE OF TICKETS AS AN ALTERNATIVE TO TROPHIES. WITH ONLY 24 HOURS TO REFLECT, WE FEEL THAT THE ONLY THING WE CAN SAY AT THE MOMENT IS THAT IT ELIMINATES THE WORD "TICK" FROM OUR VOCABULARY. COMMENTS, PRO OR CON, ARE WELCOMED, AND WE MAY HAVE MORE TO SAY NEXT MONTH.

I BAGGED THIS ONE ON THE 82 OLD DOMINION

I had been looking forward to this rally not only because it had been a while since the last rally but it sounded like a fun event. Not to mention easy and trap-free. We knew we would be rusty.

Knowing I was rusty, I prepared the night before by thoroughly glancing at the generals, after all, this was a simple rally. However, the morning of the event, I found a need for some kind of a challenge. I knew my partner had prepared in the same manner as I and would probably feel the same way. Then it hit me..... I would let Shelia drive and I would navigate!!! It didn't take much convincing for Shelia to agree.

At the start, we were handed route instructions for the ODO leg and the return to the Greek Circus. Also attached was a map with a green line indicating the rally course up to the break and a red line for the second half of the competitive portion. Looked simple enough. Shelia gave me a quick course in calculating and off we went. The first leg gave me time to learn the navigators seat. But by then, we were no longer on time. By the second leg I was rolling. Then came a speed change in the 3rd leg. That blew me away. (How does Shelia keep up with these rallies with lots of speed changes???) The next few legs were okay once Shelia grabbed the map from me and said she would find her own way (it was obvious I would never be much of a navigator). On the last leg we had a tractor pull out in front of us. This is usually not a problem as most farmers are only going to the next turn-off and if not, will let you by. Not this guy, he was determined to be a creep, hogging the road and staying on the rally course for over 2 miles! We finally made it back to the Greek Circus where we harrassed our usual waitress and then adjourned to Alice's home for fun and games. All in all, it was a very good event and I thoroughly enjoyed myself.

Thanks, Bob
