# Welcome to VMSC!

This month VMSC welcomes not one, not two, but THREE new members! (You're on a roll, Bill, keep 'em coming.) First up is **John Estep**, 9625 Paddock Grove Ct., Chesterfield, Va. 23832. John is an HVAC technician for Dominion Service Co. His wife's name is Karen. John drives a 1976 Datsun 280Z and is a former member of NASCAR. He indicates that he has raced on dirt tracks in Tennessee, North Carolina, Kentucky and West Virginia. His primary interest is autocrossing, and he is also a model-builder. I'm sure we'll all make sure he feels right at home with us and the local sticky-tire supplier!

If **Delphino Cavazos** seems like an awfully familiar name to find in the New Members column, it's because he's been autocrossing with VMSC since before yrs trly joined the

club in 1980. Del, who lives at 7400 Sandeewood Dr., Richmond, 23235, is a project manager for DuPont, and owns a 1974 Porsche 914, a 1992 Camaro, and a 1983 Southwind 33' motorhome. He has autocrossed in Richmond, D.C., North Carolina, and Spain.

(And people around here think it's a pain to tow a car to Summit Point!) He also raced at the Simca Race Track in Sevilla, Spain, in 1969. He has trophied in classes A/S, B/S, C/S, A/SP, and C/M, and is a former PCA member. Welcome, and thanks for finally taking the plunge! Additionally VMSC would like to welcome **Cristela Cavazos**, Del's daughter. (A potential rally team here? If it

can happen, Wilt will help it along.) Cristela didn't list any of her interests on her application, so Del will just have to bring her to everything we do. **VMSC's membership chairman is Bill Hunter. Call him! 804-752-7669.**

WELCOME!!!!

# VMSC 1993 RALLY SCHEDULE

To all potential Rallyists, Rallymasters and Rally Workers: here it is, the hardly awaited 1993 Rally Schedule! As you can see, there are still several choice dates we would like to see filled, but we do have hard commitments from five experienced O.D.s, which is already better than we were able to do last year. Due to lack of lead time and general winter inertia, we're getting a late start this year - the first event won't be held until early May. That gives you plenty of time to hone (or acquire) your skills, arrange your schedules, get your equipment working, and prepare to help make this a successful comeback season for the VMSC Rally Program.

DATE	DOW	O.D.(s)	CHECKER(s)	FORMAT
05/02	Sun	Greenwoods	Powell	Low difficulty, classic format TSD, ending in Chili fest at Andy Siff's restaurant in Ashland.
06/20	Sun	Weedon/Yost	Burton	Low+ difficulty TSD.
08/01	Sun	Dickinson/Boogher	Greenwoods	Medium difficulty TSD, ending in party.
09/12	Sun	OPEN!		
10/03	Sun	Eberhard/Webster	Dickinson/Boogher	Medium+ difficulty TSD, lead-in to year-end event.
11/07	Sun	OPEN!		
12/05	Sun	B. Hunter/Siff	S. Hunter	End-of-year championship, medium++ difficulty TSD, results tentatively not to be announced until banquet.

If anyone, experienced or not, is interested in putting on an event or helping with an event already scheduled, please get in touch with Rally Coordinator Wilt Greenwood (282-1493) or Activities Chairman Dick Boogher (285-4133). If the existing open dates don't suit your schedule, we can probably work around them, and you'll get all the help you want - just ask. That also applies if you'd like to try competing in a rally but aren't too sure what it's all about - the experienced types are always looking for converts and are happy to talk about the sport for hours in the interest of hooking a new competitor.

## Come out and run!
